Sir:

PRELIMINARY AMENDMENT

Amendment

In the specification:

On page 1, line 2, please insert --This application is a continuation of application
08/056,140, filed April 30, 1993, now U.S. Patent No. 5,709,854.--

In the claims:

1. (Amended) A method for [implanting tissue] introducing cells into an animal to form
tissue within the animal comprising:
forming a cell-polymeric composition by mixing a solution of a biodegradable,
biocompatible natural or synthetic organic polymer, wherein the polymer is capable of hardening
into a three-dimensional open-lattice structure which entraps water molecules to form a
hydrogel [solution], with dissociated cells; and
[implanting the mixture] introducing said cell-polymeric composition into the animal.
